We believe in CHALLENGING the status quo with everything we DO.

We think excitingly DIFFERENT.

We actively seek NEW, simple, stimulating ideas that WORK.

Our LIFESTYLE of bringing HOPE draws people in.

We stand IN and FOR the community.

Do YOU want to be a part of the movement of CHANGE?

Come join us as we discuss how we can ACTIVELY help the 55% young people (between 16 & 24) and 56% older workers (between 55 & 64) by living a conscious, Kingdom-centred life.

**YOUNG and OLD
welcome**

**The CHALLENGE is big,
but the
OPPORTUNITIES are
BIGGER!**
